Minutes of Previous AGM held over 10 May 2023 circulated

- These have been circulated and time given to review
- Could I have someone please affirm these as an accurate account of last years minutes, and a seconder please

President's Report: Andrew Conacher

Lookback on the past year

- Sorrento Sailing & Couta Boat Club now has 2 boats
- Sandringham Yacht Club has 12 different boats participate over the summer
- Royal Geelong Yacht Club support has dropped from 2 to 1 boat since the State Titles in 2023

President's Report: Andrew Conacher

- Royal Brighton Yacht Club has their own program running with their club boats. Competency is still building. 3 boats on occasion are getting out. Very happy to see 2 boats at the State titles.
- No visibility into Royal Yacht Club
- Westernport Sailing Club has 2 boats sailing over the summer
- 1 new boat at Black Rock – yet to be seen

President's Report: Andrew Conacher

Lookback on the past year

- State Titles conducted at Sorrento. 14 boats competed, 5 clubs represented in what was a very successful regatta
- Australian Sailing Vic Youth Titles held the following month.
- We thank Sorrento for their support and 2 well run regattas

President's Report: Andrew Conacher

Looking forward

- Future of the class is with the younger sailors progressing from Opti, Open Skiff & Minnows classes, and to a lesser extent the International Cadets
- It is important that we get the younger sailors into the class, as they will benefit from learning the class at an earlier age
- By building a base competency in the boats, they can return as competent youth sailors

President's Report: Andrew Conacher

Vic
9ers

- The 9ers have been in the doldrums for a few years.
- COVID-19 was factor, but not the sole reason
- We are at a new beginning of the 29er class in Victoria
- The training programs run by Harry and championed by Bret Levenspiel have been instrumental in improving the sailors and forging a community amongst the sailors and parents

President's Report: Andrew Conacher

- Try-outs have proven to be successful in the past, we need to continue these. Proven at SYC
- We are focused on the 29er fleet, however the National Committee is keen to see each state with a 49er FX
